# Special economic zones

## - from recovery plan to development

### 90- s economy recovery plan based on the example of Starachowice

industrial monoculture – STAR company

high rate of unemployment

increasing social problems

# Special economic zones

## - from recovery plan to development

### XXI century for economy development

industry diversification

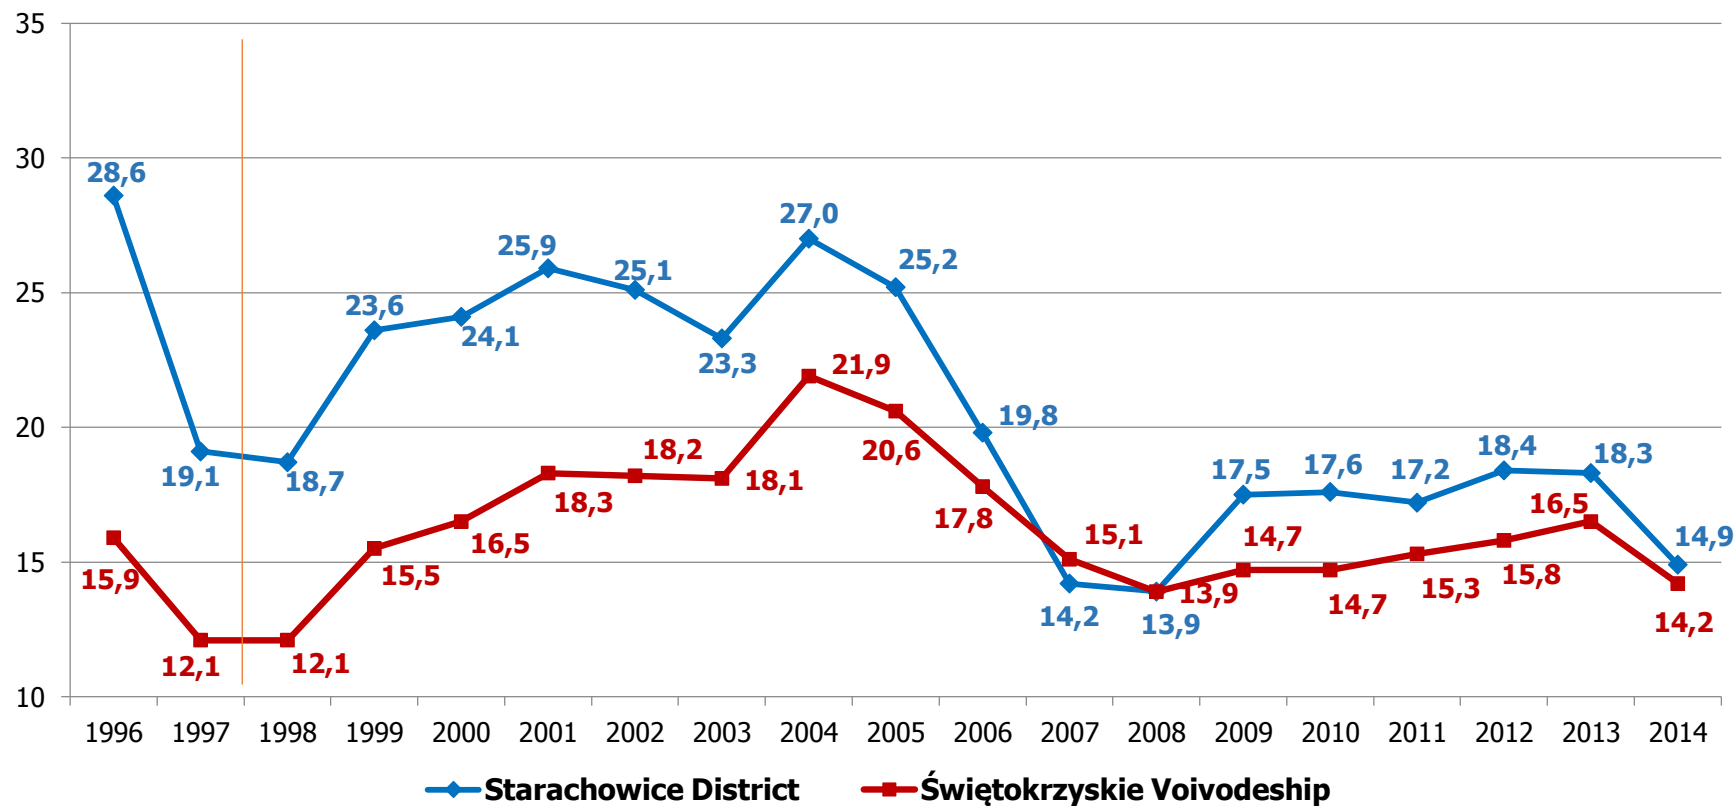

decreasing unemployment rate

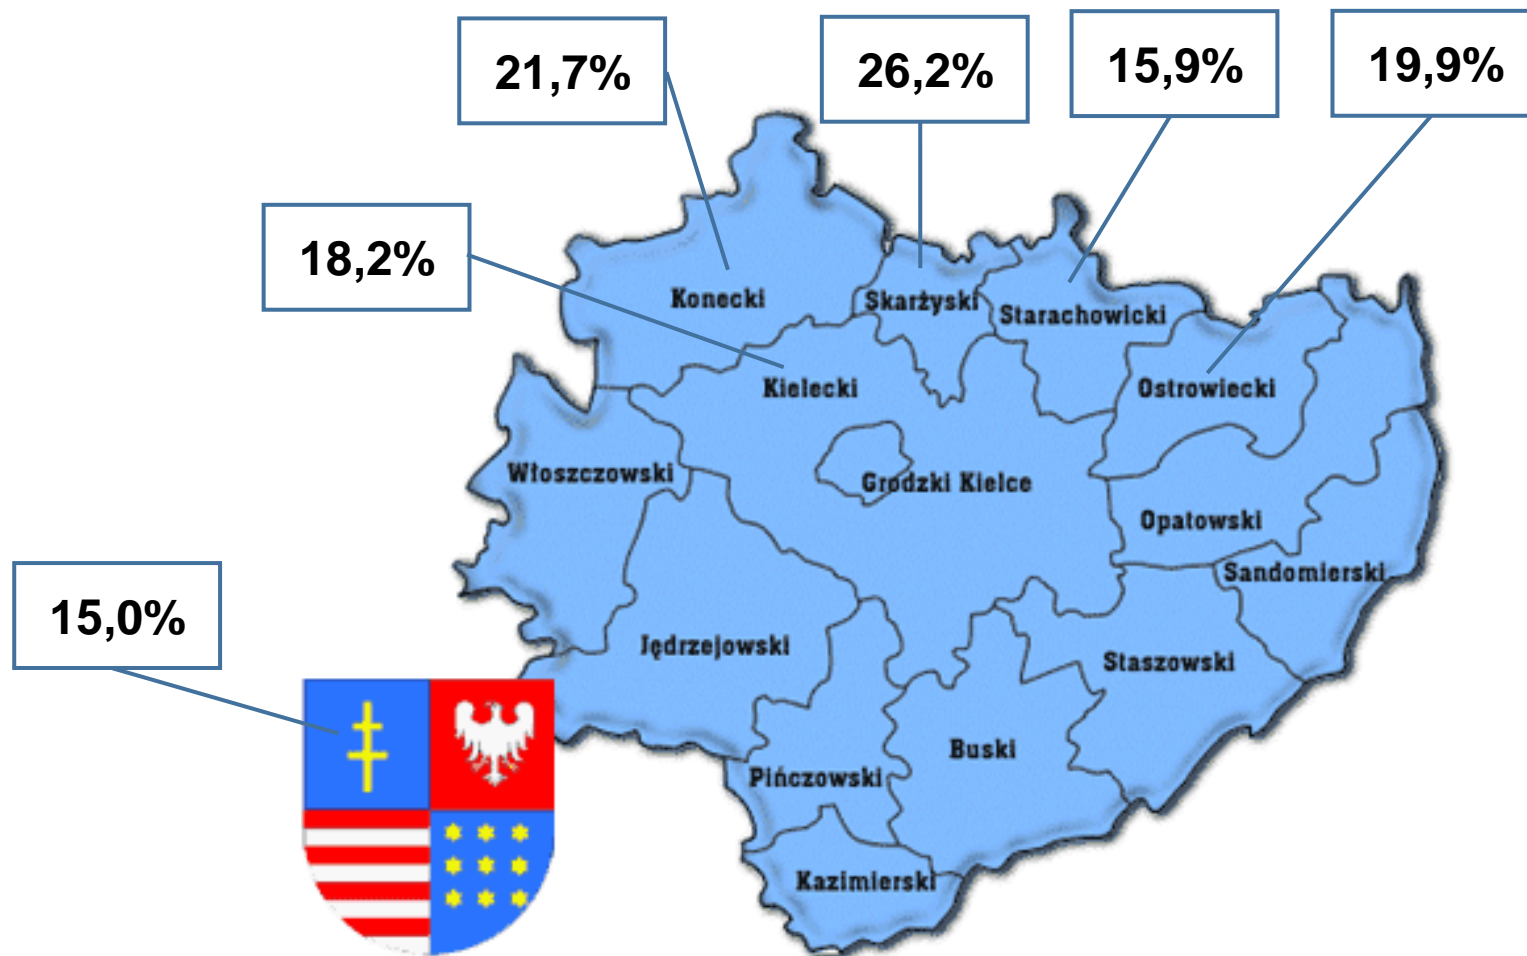

increase the businesses units and as the result of this:

- investments
- employment
- higher qualifications

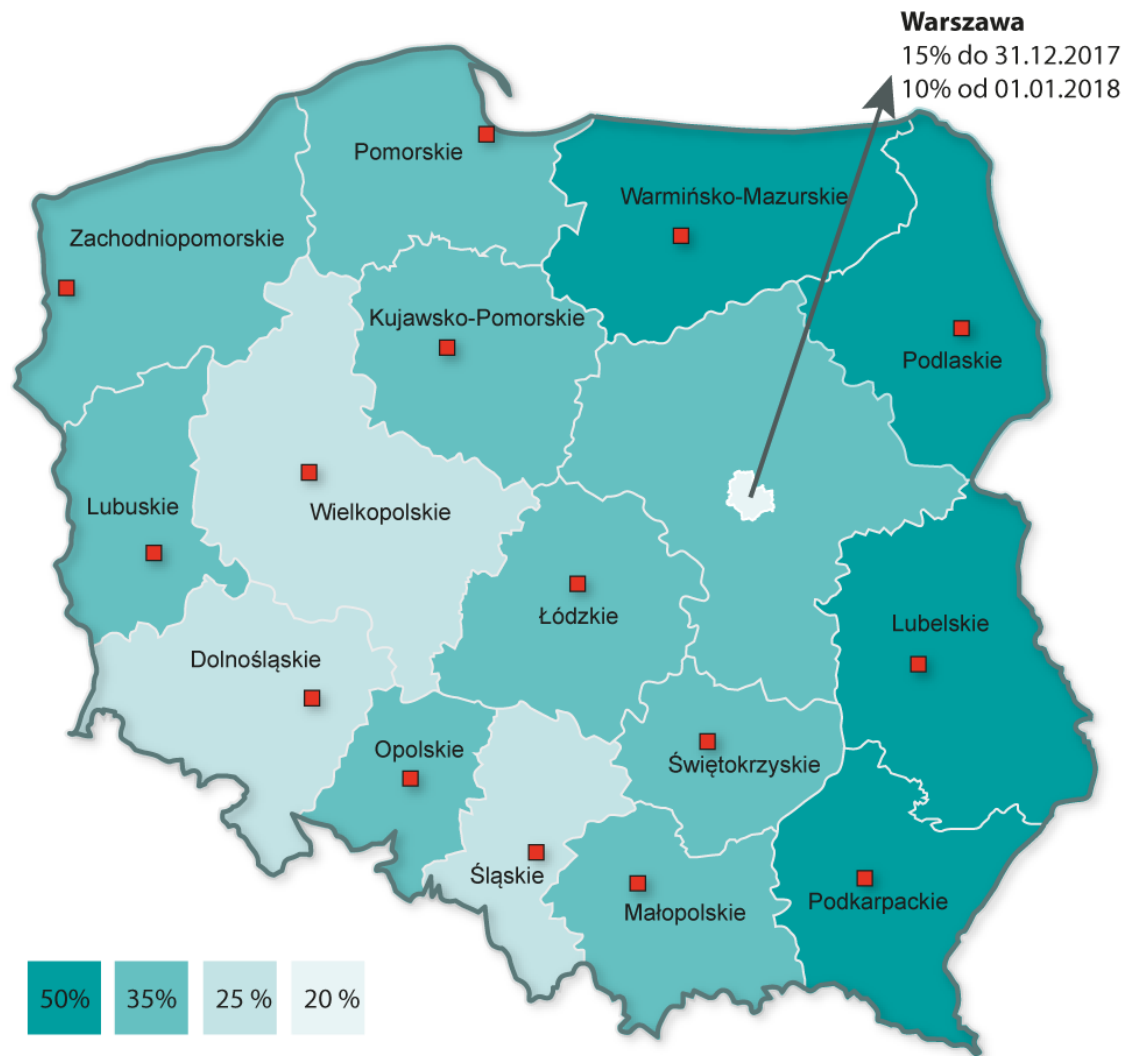

# Unemployment rate

# Unemployment rate – 28.02.2015

# How much? Whom?
